“ Sincere condolences to Norma’s family and those who knew and loved her. I have fond memories of ballet lessons in Scarborough. Coincidentally, I was going through memorabilia very recently & found a program of a recital Norma organized for my class & others. Memories of that time of my life prompted me to google her & discover her recent passing. What an interesting life she enjoyed. With fondness, Susan Waite

“ Norma was a genuine people person, caring much for all she met and knew. As an elementary school music teacher I was so pleased when she volunteered to choreograph junior musicals that we put on. As a close friend, she was a treasure. Catherine Ambrose (and John)
