“ I still remember when I was just a kid and Dad would clean off the dining room table to start a new puzzle. He would get the border done and when I came home from school I would do some. It was fun  
Love you Dad

“ I will always remember Norm for his off white sweater. Everytime Norm and Dodie came up he would bring that sweater up for me to repair it. He said it was his favourite sweater. I gave up counting the number of times i fixed it. Wonder if it is still around
