

Olive Steele

September 16, 2019

It is with great sadness that we announce the unexpected passing of our loving mother, grandmother and great grandmother on September 16, 2019 at the age of 87 years.

Olive will be lovingly remembered by her two children; Kevin Steele and Maureen (Anwar) Ghadban and their children Reanne (Jay) and their daughter Madison; Amanda (Rob); Sara (Ian); and Lila (Mike). She is also survived by numerous nieces, nephews, and close friends. She was predeceased by her ex-husband Brian Arthur Steele.

Olive treasured her family. She was a devoted mother, grandmother and great grandmother. She found great joy in time spent with her children, grandchildren and her great grandchild.

She loved dancing and being with her friends. Most of all though, she loved and would do anything for her family and friends. She was loved by all who got to know her. As a single mom she worked hard to support her two children and provided them with whatever they needed. She made the best most scrumptious shepherd's pie and an awesome lemon meringue pie. Olive loved collecting old coins and sipping tea at all hours of the day. We are blessed to have had her in our lives and she will be sadly missed by all her family and her countless friends.

“ It has taken me a long time to be able to write this. Not because I didn't want to but because I couldn't come to terms with a world without my nanny. I was never ready to say goodbye and truly wish I had gotten the chance. Nanny you were the most amazing influence in my life. You always made me smile on my saddest of days, made me feel loved whenever we spoke and saw each other, you were there to talk to when I needed you most. I will always remember the endless stays at our house and waking me up everyday with a good morning amanda wakey wakey. I will miss our walks with the spikey tree and countless trips to the thrift stores. I will miss our morning chats over your one of many teas of the day and endless treat sneaking for your little love prince. You were such an inspiring woman to be and I know this because every person you have met you have made an everlasting mark on their lives. Your spark for life will continue to live on. I promise to always be the best person I can be for you nanny. Heaven gained a truly blessed angel, I hope its always sunny up there, the tea is always flowing, and I hope you continue to send me more butterflies. Love you forever and always xo. Amanda
