“Gibbo, I'm so sorry we lost contact for so long and I never got to see you before you left us. You were never far from my thoughts, even if we didn't see each other much. I will always remember that you were always there for me when I needed it most. You were loved and will be sorely missed!!! Enjoy your well deserved sleep my dear friend, you will forever remain in my memory!!!  
With all my love!

“Pammie, I miss you and wish you were here to talk to in your Trini accent when we having a debate about something or you telling me no about anything.

*Most of all I miss that you are not here to share memories of you, me and mom.*

Love you ❤️  
Andrene
