

## Ms. Patricia Gail Blake

November 19, 2015

Kidney cancer took Pat from this world on November 19 at age 67. Born in Kingston, Ontario to the late Frederick Blake and the late Muriel Brownlee, she leaves behind her brothers Keith (Carol) and Rick (Melanie) and nieces and nephew Kelli, Elissa (Sean Wareham) Adrian(Jennifer), Andrea and Audrey. She leaves behind cousins Bruce, Brian, Raymond, Jim, Robbie, Cathy and Corinne as well as life-long friends Anne, Janice and Margot. She had a long, successful career as a laboratory technologist at St. Mike's Hospital and then in the private sector. Pat loved her three cats Chianti, Whiskey and Kitcat. She was passionate about her gardening, especially her roses and her orchids. She loved to sing and was an active member of the York Highlands (Sweet Adelines) choir. She leant her organizational and baking skills to Presteign Woodbine United Church. A celebration of life will be held there (16 Presteign Ave, Toronto) on Sunday, December 6 from 3:00-5:00. In lieu of flowers, donations may be made to the Canadian Cancer Society or a charity of your choice.

“ Deepest condolences to Pat's family. I knew her from the Thursday Group at Presteign Woodbine Church & greatly appreciated her baking (especially the quiche). I am glad she was able to travel & enjoy good times with her Sweet Adeline Group a couple years ago. Pat was a lovely lady & I remember she was always knitting & doing good for other people at the church. We will miss her. Bronie Breiding

“ Pat was taken far too soon. She will be greatly missed at our family gatherings. As a group we had many lively debates be it about family or otherwise and Pat always kept them interesting. Love Corinne, Ryan and Chris

“ Pat always enjoyed a good laugh and one time I fondly remember: After chorus rehearsal on Tuesday nights, a bunch of us regularly stop at the local McDonalds for coffee and a bite.

One night while we were there, someone mentioned it was Pat's birthday. Darn it, if only we had a cake! So we bought a muffin, and ceremoniously presented it to her at the table, apologizing that we had no candle, one of the girls grabbed a French fry and stuck it in saying, I bet it would light. After finding a light, it took a couple of tries, but it lit - and stayed lit - and for a few seconds! We all cheered, and sang Happy Birthday. Pat was all pink with pleasure and laughing and having a great time with us.

“ I knew Pat for nearly 30 years, as a friend and neighbour. We have been there for each other, sharing both good and bad, and always knowing we could count on one another. I am going to miss our daily debates and discussions and will remember you in every rose and daffodil I see.

As the song says "Lean on Me", we could always lean on each other.

Love Janice Geddes and Molly
