

Patricia Bristow-Hughes

December 16, 2023

It is with immense sadness and heavy hearts we announce the passing of Patricia Bristow-Hughes. On December 16th, 2023 Patti joined the love of her life John, her sister Barb and her mother Elsie. She leaves behind her legacy of 3 children Tammy, Richard and Matthew as well as her 6 grandchildren Joshua, Angel, Zachary, Taliah, Jasmine and Jaxon. She also leaves behind her father William and 2 brothers Les and Bill.

Anyone who had the pleasure of knowing Patti knew she was a beautiful human with a beautiful heart and touched the lives of the many people she connected with in her 62 years on Earth.

Patti was very well known member and a leader in her community. She had special relationships with her neighbours who became family over the 24 years she resided there. She was the reason the community was filled with love and beauty for so many years. Patti was a lover of plants, animals and children and had a special way of pouring love into all them and everything she did with them.

There will not be a service as those were Patti's wishes. The family will host a celebration of life in honour of Patti in Spring 2024.

“ Condolences to you and your family. Patti was a giving and caring individual. She was a courageous and strong force of nature. Patti was an icon at Rogers for over 32 years and was deeply respected by managers and peers. She could be hell on wheels if needed. She is sadly missed. Dance like no one is watching. RIP my beautiful friend 🙏
