“ Dear Kevin, Cathy and family members,
I was saddened to learn of the passing of your Mother. We enjoyed many visits together and shared our common interest in gardening.

A highlight of our Christmas each year was receiving a beautifully presented package from your mother of her homemade almond brittle. My husband , Everett, always shared a little with me before he hid it and enjoyed the rest by himself!

Thinking of you at this sad time of your life and hope the many fond memories of your mother bring you peace.

My sincere condolences to each of you.

Sincerely,

Mary Anne King
