“ My most fond memories with mom was anything mom, Theresa and I did together as a family. Looking through old photos the ones that stand out to me the most were the times we would spend at Uncle Joe's house or Mary's house, the beach, park, Peterborough zoo, and time spent with Grace, Adam and Marissa. Mom cherished the time she got to spend with her kids and grandchildren and was a kind, caring soul she was always willing to help, whenever she could. She will be dearly missed and will always be in our hearts. 💕💕💕 Love you Mom 💕
