Patrick Weldon Burke: A Colourful Legacy and Cherished Memories

It is with profound sadness and boundless affection that we announce the passing of Patrick Weldon Burke, aged 89, who departed this life peacefully, after a brief illness, on April 24, 2024, with family by his side.

Born on July 17, 1934, in the scenic town of Birch Grove, Nova Scotia, Pat's journey through life was carried by laughter, wit and an unwavering interest in the stories of others.

Patrick offered impeccable style. He brought colour not only to his clothes but to the lives of everyone around him. Pat was a master of jest, the life of every gathering, whose jokes not only brought smiles but often roared laughter. A true MASTER of storytelling, this was his gift.

Predeceased by his beloved wife Audrey, his son Paul, his five brothers and one sister. Pat's legacy is carried forward by his many loving nieces, nephews, extended family members and a host of friends who found in him a genuine friend and a true gentleman.

Pat was indeed well respected, always ready with a kind word, a joke, or a piece of wisdom. His tales will be told and retold, echoing his warmth and spirit. We extend our heartfelt thanks to his "nephew" Paul, whose dedication shone brightly as a friend and caregiver in his time of need, and to the caring staff at North York General Hospital.

Patrick's life was a beautiful patchwork of joy, generosity, and kinship. From his careers in photography and insurance to his love for hockey and golf and his dedication to the Lions - a life well lived. He will be deeply missed by all who were fortunate enough to know him. As we bid Uncle Pat farewell, we hold onto the laughter and the lessons he impressed upon all of us.

We love you Pat!

Bye for now, be well.

“ It's so nice to be named after him (Joard)Patrick Weldon Burke and have him as my godfather. He kept me in awe with his wit and the ability to weave a master piece when it came to telling a joke or story, something I was able to inject in my classroom. Thanks for that Uncle Pat. Love you and will miss you, say hi to my dad. R.I.P.

Pat ... aka "Uncle Patty" - from my first recollection as far back as I can remember, you were always integrally and wonderfully a part of my life. Your presence meant happiness and fun had arrived and laughs were on the way; listening, acceptance, sharing, and caring were among your hallmark traits. You freely devoted your time and punctuated visits with your jovial demeanor. We shared much together through the years, right to the end. Dorothy and I truly valued the many times we all shared together and conversations through the years, always engendering many fond reflections. Thank you for being a truly remarkable Uncle and friend and may you be blessed in receiving all that you so richly deserve. With our love until we meet again ... Ron & Dorothy

I grew up with the Burke family as Pat's brother Jim was my godfather and uncle by marriage to my mom's sister, Doris, who was also my godmother. I considered Pat to be my uncle also and have many fond memories of his visits to Sydney. I will miss his Christmas cards to the "good little Mary Lou", and the fun times we had over the years. Rest In Peace Uncle Pat.
