

Patrick William Callaghan

January 4, 2024

Patrick William Callaghan (PWC) passed peacefully in his home on January 4, 2024. He is now free from many years of pain. Born in Trail he overcame many obstacles to become a successful masterful carpenter. Pat travelled much for his work, whether away for the week and home for weekends or gone to Asia for months at a time. He truly thrived in his career. He was a good Dam builder! Pat met Gladys 60 years ago and they were married for 56 years. Together they had six children, Arnie (children John, and great grandchild Kadence), Carolyn (children Steve- children Dean, De-Anna, Melissa, Micheal, Colton, Cameron), Pat (children, Maya, Carter), Colleen (deceased), Cathy (children, Violet, Colin, Ebony, Coral, Emerald), Collette (children: Annita, Timothy, Annalise, Caleb).

PWC was always up for a good time and there are many shenanigans and tales that could be told. He gave himself and helped many people even if it was the shirt off his own back. He wanted to, and did, pass on his knowledge to many people, always wanting to teach the next generation coming up.
