“ It is shocking to learn of the passing of Patsy, a beautiful person and my sincere condolences to Hanney and family.

We always hung around with Hanney and Max who lived closed by each other, near McGill University where we attended school. My memory of Patsy was of a friendly, cheerful disposition, always with a smile on her face. I learned Patsy worked hard, lived a beautiful and meaningful life, as well a very caring daughter, sister and person. May God bless her eternal soul!

May the fond memories of Patsy comfort the family and give you strength in this difficult time, Take care and God blessed!

“ Patsy was a wonderful sister, she loved all the good things in life like luxury condo, gourmet dining, designer clothing, vacationing ...etc.. I cherished the vacation trips we had together to Muskoka, Cancun and Europe Cruise.

Patsy loved and took care of her parent, she loved her 3 brothers (late Eugene, me & Tim). I enjoyed every family gathering with Patsy, she always bought lovely gifts for my 2 grand daughters (Mika & Ava).

Patsy tried very hard to overcome obstacles in life, she was an accomplished investor in real estate, Patsy exited this world with a legacy in helping the poor and underprivileged people with handsome donations to 3 charity organizations.

Patsy, I am very proud of you, we will miss you, may you rest in peace.
