“ It was with great sadness today to learn of my old friends' passing nearly a year ago; we'd kept in touch via Facebook but long periods of no contact weren't unusual. Paul was the lighting technician for several years for my old band Va Rouge in the 1980's, what a terrific sense of humor he had, he had us all in stitches constantly. I can hear his voice as clear as if it was yesterday, even though it's been close to 30 years.
Rest easy, old friend, best lightman in the music biz.

Paul Goodwin - September 20, 2017 at 02:53 PM

Thank you for your message. I had the chance of being married to Paul for 26 years. He talked to me about his time being a light technician and he loved it. He's still with me. I miss him very much.
