

Pavlos "Paul" Loumanis

September 25, 2022

It is with heavy hearts that the family announce the passing of Pavlos (Paul) Loumanis in Toronto, Ontario at the young age of 60. Paul was born in Florina, Greece where he immigrated to Canada as a young boy with his parents and his older sister, where he spent most of his youth growing up in East York (Greek Town).

Paul was a devoted long-time partner to Barb (Barbara McClintock), a loving son to Miltiadis (Mike) and Stilianis (Stella – predeceased), and a kind-hearted brother to Lisa (Ed), Chris (Samantha) and Alex (Cheryl). He will be remembered by his nieces and nephews, and extended family members as a quiet, shy and gentle man, who enjoyed music from the 60's, 70's and 80's (RUSH, Led Zeppelin, Eagles, David Bowie, Queen), watching hockey with a cold beer in hand, an appreciation for vintage and current cars; and enjoying quality time with Barb exploring the city, the CNE, and other local events. Paul had an identifiable and infectious laugh, and often viewed the world through rose-colored glasses.

The family will be mourning the loss of Paul privately. A cremation has taken place, with no visitation or services planned at this time.

We are grateful to all involved with the care of Paul in his final days while in residence at Extencicare Guildwood long term care residence, as well as the Scarborough Health Network (Birchmount Hospital and Scarborough General

Hospital) and Aftercare Cremation & Burial Service Limited.

In remembrance of Paul, any offered donations may be made in his name to Heart and Stroke Foundation of Canada or a charity of choice.
