“ I remember Uncle Percy being so comical at family reunions or visits to our house.
He always wanted to kiss me and Sharon when we were little and he chased Janice around our house one time trying to kiss her lol.
RIP Uncle Percy

The staff at Hillsdale Estates were very kind and treated Uncle Percy with the highest possible quality of care. It was my pleasure to meet several of the ladies during our visit on November 10th and to personally thank them for their service.

“ I am so sorry for the family for your loss. Percy was always a funny man cracking jokes,when I was younger hanging out with Karen. I briefly chatted with him when he was on SF.

“ Some of my sweetest memories have been all of the times he would call me and we talked for quite awhile
Most of the conversations were Uncle Percy being foolish.I loved listening to him.In 2013 we went to Ontario to visit my little sister and we had 2 visits with Uncle Percy- we went to Oshawa and had a great visit at his apartment and another time he met up with us at a small restaurant for lunch.It was wonderful.
