

Mr. Peter William Coulman

April 17, 2016

April 20, 1956 - April 17, 2016

Peter was only 59 when he left us. His greatest wish at that time was for privacy. I think it is fair, at this 6-month juncture, to remember him here.

Peter cared greatly for his brothers John(Jane) and James(Janice), other family members, friends and colleagues. He left a large footprint with both his personality and his music. He will be missed.

Peter was recently memorialized according to his wishes near Collingwood, in a place of his choosing.

“ Pete was such a wonderful colleague - I loved working with him. He was an immensely talented musician and such a great guy. Sending condolences, Lesley Barber

“ Pete was one of my favourite people. I'm already missing his charm, sense of humour and everything else that came with his massive personality. We've lost someone great. I'll miss you Pete.
