

Mr. Peter John Damore

May 29, 2016

It is with great sadness that the family announces the sudden passing, in Hamilton, Ontario on Sunday May 29th, 2016, of Peter John Damore, in his 62nd year. Peter is survived by his father Peter Damore Sr., twin brother Paul (Sandra), sister Annalea (Joe Matthews), all of Niagara Falls and sister Julie (James Graham) of Midway B.C. He was pre-deceased by his mother Cicely (Betty) Damore (1982). Also survived by his son Mark (Valeria), daughter Cassandra (Enrique Dickenson) and three grandchildren. Peter was retired after a long and successful career at St. Joseph's Health System where he was a skilled and gifted operating room nurse. A member of the St. Joseph's Health System International Outreach Program, Peter travelled many times to Haiti and other countries to provide vital medical services to people in their time of need. A long-time resident of the City of Hamilton, Peter enjoyed the support and camaraderie of many close friends and associates at Augusta's Winking Judge where he shared his culinary skills contributing to many celebrations and events. At Peter's request cremation has taken place and there will be no visitation.

“ I only just heard about Peter's passing this morning from a mutual friend and I am devastated. I have not seen him in many years but we worked together at the Skylon Tower as teenagers and became close friends. Indeed with the entire family as Paul might remember. The Damores were all wonderful people, hard working, kind, generous and loyal. This is a loss that cuts very deep. Rest in peace my dear friend. You will be missed. My condolences to the family and especially Paul. God bless!

“ John lit a candle in memory of Mr. Peter John Damore

john - June 06, 2016 at 09:10 AM

JO

I have had the privilege of getting to know Mr Peter Damore as per my Father who worked with him in the OR

I am also one to attest that he also dawned his tool belt and helped out in getting projects complete that needed to get done and for that I thank him for that.

He is the only one that I know that when in a pinch on the job site would take a drywall saw and use it to cut a tomato when it was lunch hour!

My condolences to Peter's family and friends

Rest in Peace Peter

John Crane

OC

“ *I met Peter in the early 90's in the OR and we became friends through talking about renovations. He must have seen I needed help because he ended helping me with my projects. I learned so many things about renovations from him over the many years he helped me and my family improve our homes. So, not only was he a skilled renovator, he was a great teacher as I gradually became his assistant on projects he took on. I just made the connection that my first and last project with him was working at Ken's. If I had known it was to be the last, I wish it would never have happened. Over the last few years, we travelled to Cuba a couple of times together. Peter was a great person, he never refused a job when someone was in need of his help. At times we had several projects on the go at the same time because he knew that the people needed his help. He spoke highly of his family at all times and was very proud of what his Dad taught him. He was a great friend to me. My condolences to Peter's family. He was a wonderful friend and will be missed by my family and I. R.I.P Monsieur Pierre.*

BB

“ *My condolences to Peter's family on his passing.*

Pete was a trailblazing pioneer for male nurses in the O.R. He was an excellent role model and set the bar high.

Although great at his "day job" as a nurse he loved helping others doing the manual trades jobs on his days off. He did many such jobs for me but I especially remember the perfect compound mitered cuts of the valley rafters when he and Dayle Brewer put a roof on my shop.

I fondly remember, on more than one occasion, having a few cold ones on the front porch after a day of sweaty work.

R.I.P. Pete, see you on the other side. Bill Bell

“ Although I only worked at St. Joe's for a short period of time I had the pleasure of working with Peter on several occasions. I valued his knowledge as an Operating Room Nurse and enjoyed the stories about his travels. I also looked forward to his sarcasm.
RIP Peter
My condolences,
Tracey Krekorian-Miller

*Sincere condolences to Peter's family and friends. I am saddened with the loss of Peter at such a young age. Peter was a breath of fresh air, when he came to work in our Operating Room. He approached his work with skill, strength to do the job and his compassion to his patients. He was always ready to help his fellow worker and assist in anyway that he could as a team player. Peter was a kind and considerate man with a big heart to help mankind. If you needed something done or help with a computer or construction at home, he was there. You will be missed Peter by your friends. God bless you

“ Dear Julie and family,

I am saddened to hear about the loss of your dear brother, Peter. Although it has been many years since our paths have crossed, I think of you often and the many fun times we shared in college. Wishing all the best to you and your dear father during this difficult time.

Fondly, Lisa Fiorentino

“ *Peter did a lot of hard work, with great skill to help people who will never be able to repay him. That is the generous nature that I will always remember. His concern for his comrades and team members was utmost, no one ever was hungry with Peter around! :) . The memory of laughing uproariously during a 6 hour bus ride on unpaved roads in Haiti will always make me smile. It seemed that I learned something from you every day. I won't forget you my friend. Rest in Peace.*

DS

“ I have many fond memories of Peter. From our days in the OR together as well as sharing stories and drinks at his beloved Winking Judge pub, Peter was a man who shared his knowledge when asked, listened to other's points of view, and was kind and compassionate. We shared many happy years working together and I feel truly grateful to have known him and been in his life, even for a while.

Cheers to you, Peter.

To Peter's family: I am so very sorry for your loss. Please know that you are in my thoughts and prayers at this difficult time.

“ Peter always was a helpful co-worker and giving friend. He would be the first to get involved and join in any project. He was a kind and giving nurse.....working in an OR filled with A-type females never bothered him! He was truly a team player and an all around nice person. He helped many!

Sincere condolences to his family and many friendswe will all miss Peter, but are better for having had him in our lives.

LK

I remember Peter and Paul (the twins) while growing up in Niagara Falls. The parents were good friends of my parents and Peter Sr. was best man at their wedding. It saddens me to hear that someone my age, so talented, gifted and giving is gone. My heart goes out to his family, brother, sister and father and his sister-in-law Sandy who was one of my very best high school friends also in Niagara Falls.
