

Peter Philip Groves

August 7, 2021

On August 7th 2021, Peter Groves, beloved son of Philip Groves and Ingrid Groves Klavins (deceased), left us for a better world.

He leaves behind his 4 children: Katie Groves, Emily Groves, Chloe Groves and Michael Groves, his partner Tania Diaz, family and loved ones Jennifer Morice, Monique Trudelle, Ina Renton-Thomas with Katrina, Liya, and countless friends he touched over the years.

Peter was warm and generous, creative and ingenious. Sharp minded and mischievous, he had a great sense of humour and just a nice way about him. Peter had a magnetic personality and made friends easily. He was meticulous, his work as a mason was impeccable and so was his perfect carrot and beet grating for his delicious salads! He had such an intellect and a wide knowledge he could fix anything! Peter was caring, always ready to help and full of love.

He is in our hearts for eternity,

Thank you in advance for your kind words, prayers and stories, we will cherish them.

“ I grew up on Browning Avenue and one of my very best friends was Ingrid Klavins. Tonight watching a movie starring Haley Barrie, I mentioned to my husband how Ingrid and I would jump across rooftops to see each other and have a laugh, a smoke, share moments, incidents, whatever. As I was getting ready for bed, like many nights through so many years, the Cheer came to me from Ingrid... for Riverdale is always going over to to a Victory...

I couldn't resist looking up, as I've done before, what was her message after taking about our childhood memories.

So I looked up Phillip and then Peter. I'm just so very sorry to know of Peter's passing and can only send my sincere condolences to your family. I was lucky enough to have met Peter during his infancy and hope his wife and children were lucky enough to have me Ingrid. What a shining life in this world.

Phillip, if you are still with us, how lucky you were to have them in your life.

My deepest condolences.

“ Peter,

I've been waiting for what to write. Maybe I thought I would cultivate something profoundly deep and meaningful, but I'll just speak from the heart instead of the mind. You're a great man. Your compassion, authenticity and intelligence made you a very special person, and brother! I miss you Pierre!

Until we meet again in this next life I am truly blessed to have learned so much from you and can apply those things to my reality as I create it. God Bless You.

“ Peter you were are and always will be loved.
We Grew up in the same part of the city,
The best part really,
Such a great place to settle and grow, with all the surrounding
schools, so many children
It was wonderful.
I can see your handsome face, your bright big smile, & hear your
wonderful lovable infectious laughter as I right, (“Hey what’s up
KALI you would say”)
You were such an amazingly awesome person,
So popular, just incredible.
Such a laddies man, we were all jealous let me tell you. You almost
always had a girl on each arm.
Seeing you at moms cafe at lunch by Danforth tech back in the day
with a lot of the old school boys. We all had so much fun, not a
worry in the world, those were the days.
Later on we even had the chance to work together which I really
enjoyed.
I remember when you were living at your dads house I help you
work in the back yard
It looked great when we were done.
Then again we had the chance to work together
For George the General contractor.
We even got the chance to go to the same stone
Masonry school.
You had excellently amazing work ethic it was amazing to work with
you. We would work so well together. people have a hard time
keeping up to me sometimes, well I hard time keeping up to you.
Because you were amazing at what ever you put you mind to.
You know I just wish all of us guys could have been into
More out door stuff like camping and fishing
I think it would have been great for us all.
I remember our talks Peter while you where in Quebec, they were
so amazing it was so great talking to you, we talked about
everything.
Our conversation were so beautiful, you were filled with so much

*joy. Colour, love, wisdom. Love. Strength.Happiness, calmness.
Peace. Laughter. Being in Nature does wonders.
I will remember you. Forever.
Pete Groves FOREVER.
I love you Brother.
Till we meet again.
