“ I did not see you close your eyes or hear your last sigh. I only heard that you were gone, too late to say goodbye. Janet -Marie McDermid and family

“ I remember my Uncle Peter as being such a calm, level-headed, laid back, go with the flow type of man who smiled and laughed a lot. Very rarely did I see him without that infectious smile of his. I feel for my Aunt Jean and my cousins... and everyone who knew him. I wish I could be there, physically, for everyone.
