“ I had the pleasure of meeting Peter when he came to Lethbridge to attend Frank's funeral. I worked with his older brother Chris with the RCMP in Lethbridge for about 10 years and got to spend time with Frank and "Mother" when they would come to Lethbridge to visit Chris. My deepest condolences to "Mother" and the Walsh family.

“ Had the pleasure of working with Peter at Rorer (Rhone Poulenc), Lawnbusters, and 52nd Street, so you can imagine the laughs. As stated before Pete and Mike were always entertaining and there was never a dull moment when those two were present. Great guy, lots of memories , wish I would have kept in touch, will miss him. Also miss some of the people that have weighed in here and would like to see them again. Will meet up for a drink in the next world Pete.

“ Uncle Pete was someone I looked up to and wanted to be when I was younger. He was caring, loving and would do anything for anyone especially his family. Growing up uncle Pete was like a second dad to me. He always went out of his way to talk to me about life in particular hockey, he was one of my biggest fans. I will always cherish the times we got to lace them up together and play alongside one another. I still can't believe your gone, but I know your up there cheering me and the rest of the family on. I miss you, rest easy.

*Until I see you again,
Love you Uncle Pete*

“ Uncle Peter, I miss you so much. You were so special to me and I still haven't accepted the fact that you're gone. You gave me so much life when you came to our house and although I nearly went deaf I wouldn't trade your visits for the world. I will always miss our talks and short car rides to the gas station so that you could buy a pack of smokes even though you knew I hated it. I can still hear you yelling at the T.V from the top of your lungs towards the Jays/Donald Trump. You taught me so much and I will continue to take your useful and not so useful advice that you gave me. You will be forever missed and loved by me.
RIP creepy man in the basement (lol).

“ I have fond memories of Peter. The Mandarin, 52nd Street, Club 2000 and Josephine Street to name a few. I shared lots of laughs with Peter (he did a great impression of Butsy) - sorry Mike but he did. I was fortunate to see the amazing friendship he had with both Mike Butler and Mike Weist. They truly were the best of friends and I was lucky to be a part of the crew for a while. RIP Peter xo

“ What can I say about Peter Walsh. I was an impressionable 15 year old busboy at the (original) Mandarin when not long after working there they hired Peter (and his buddy Mike) as waiters. To say Peter was an absolute rock star would be a severe understatement. I absolutley idolized him. Peter and Mike had a comedic chemistry between them and an absolute gift and art in telling stories and/or bullshitting (much to my enjoyment). I hadn't seen Peter in probably 25 years, but the memories and laughs that he (and the 2 Mike's) gave me in a relatively short time in my life, will last forever. Rest In Peace Peter, you'll always have a place in my heart and mind.

“ Peter, I have so many memories that we made together over the 40 years we have known each other and I was truly blessed to have had you as a friend and buddy. We were not just best friends we were brothers from another mother. I will always remember the times we had together and will share my memories with everyone which I have been doing all the time as they are the best stories and memories , until I see you again and we can make some more memories, keep a spot for me. I love you brother, rest in peace you will be truly missed and I will never forget you ever.
