

## Piotr Strak

May 22, 2025

In loving memory of Piotr Strak.

It is with sadness in our hearts that we share the news of our father's passing. Piotr Strak died on May 22nd at St. Joseph's Health Centre. He is survived by his two sons Grzegorz Strak in Canada and Krzysztof Strak in Poland.

Piotr, or Peter, as some of you may know him, will be fondly remembered for his tireless work ethic, good and honest nature, a thirst for knowledge, and love of music and books.

Piotr's ashes will be laid to rest in his family's plot, alongside his parents, in his homeland of Poland.

Memorial contributions can be made to St. Joseph's Health Centre at <https://supportstjoes.ca>.
