In Loving Memory of Priti Dogra (Shobha Khare)

19-09-1953 Mumbai - 15-10-2025 Toronto

Priti was the life of every room she entered. She was a loving mother, a devoted wife, and a charming friend who made everybody around her laugh with her unrelenting and witty sense of humour. She always kept people guessing on what she'd say next, and it was always either hilarious or thoughtful. Unpredictable yet incredibly accurate, always pulling things out of her reliable memory. She was also such a kind soul, showering us all with compliment after compliment. Her endless capacity for love, laughter and generosity, made every space brighter. She always lived life on her terms and this remained true until the very end. She was brave. She was bold. She was one of one. Though she is no longer with us, her love and strength continues to guide us every day.
