Rachel Brady Brandeis

1975 – 2018

Suddenly in her sleep on September 7, 2018. Daughter of the late Elizabeth Brady, survived by son Patrick, father Robert C. Brandeis (Ann), sister Lisa (Mitchell), Uncle Stephen Brady (Patti), cousins and extended family in Toronto, Montreal, Vermont, Nashville and California.

Rachel was a Dean's Honour List student, a volunteer with the Association of Community Living (Toronto), and the Special Olympics. She was a caring, compassionate and gifted Special Needs educator, recently at Beverley School and formerly as an assistant with Clinton Street School (Toronto District School Board) until health and disability issues truncated her career. She was interested, friendly and helpful to all, no matter their circumstances or station in life.

Cremation has occurred. Donations in Rachel's memory to a charity of your choice would be appreciated.

“ I was shocked to come upon this notice, very belatedly. I knew Rachel when she was tiny, in London Ontario, and have remembered her all these years with great affection. My deepest sympathies go to Lisa, Bob and Steve. I know she will be greatly missed.

This is how I remember her:

“ Such sad news to hear of Rachel’s passing, we spent a lot of our childhood and early teenage years together. I find myself thinking about her often, especially recently. We seemed to drift in and out touch but always able to reconnect. These last few months I’ve found her very present, a particular memory of skating late into the evening behind the Bloor Loblaws. The rink was playing the Cure, Pictures of You and Rachel was twirling with her long hair, fanning under the rink lights and snow. So close. She was a dear friend and I always hoped to catch up one day.

Thinking of her family with my deepest condolences, wishing them peace and courage during this difficult time.

*My sincerest regards,
Meli McBurnie- Love you dear Rachel. X*

“ Rachel was one of my first and best childhood friends and I will always have the fondest memories of our times together...staging an anti-war protest on Brunswick Avenue with handmade signs when we were about five years old, singing Lucy in the Sky With Diamonds and the theme from Flashdance, eating artichokes dipped in butter for the first time, playing house and office and giggling into the wee hours, so many sleepovers and so many adventures. I have a small wooden box that Rachel gave me for my birthday when I was five or six years old that I have always cherished, with her pencil writing inside. I will miss Rachel so very much and send my love and deepest condolences to Patrick, Lisa and Bob. Much love xoxo
