“ Aunt Raye was my rock. Together we had fun, cooked turkey, swam in the pool, pulled pranks on each other (She won). She was good hearted and genuine. She always made sure her thing a ma jig was next to her what's a mcollett. We all will miss you but heaven is a better place. Take care of Timothy and Tracie, Aunt Raye. I love you.

“ You will be so very truly missed my dear Auntie Rae. I will always cherish the times that we used to play cards till the wee hours of the morning and our laughter would wake up Uncle Jack. May you both now enjoy your dance under the Harvest Moon! With great sadness and a ton of love, Sharon
