“ *My condolences to George and Nancy. May the good Lord give you an extra measure of His peace and comfort at this difficult time. I am thankful to have had an opportunity to visit with Rae recently and he told me of his service in Alberta during WW2 among other things. It was interesting to listen to Rae share some history with his sharp mind and memories of the past.*

“ *Mr. Brownsell gave me my first paying job! I worked in his basement office stuffing envelopes with the statements from the Teachers Credit Union (at least that's how I remember it.)  
Rae's passing is the end of a generation in my childhood neighborhood. I have many fond memories and I know that my mother thought of him often.  
My condolences to Nancy and George - the loss of a parent is difficult regardless of age.*
