“ *Rainer was a generous and creative brother-in-law but very private and sometimes hard to understand. Making the collage and video of our family for Wolfgang's funeral meant so much to Patrick & I and your kindness will never be forgotten.*

*Thanks for all of the Family Pictures that you took and the special Family Calendar that you created for our Christmas...you will be missed along with your dry sense of humour.*

*I am thankful that we got to spend some time reminiscing and sharing before you left us.*

*We have good memories and praying that you will Rest in Peace.*

*I met Rainer at BGM colour labs in the 80's , he was one of the most outstanding persons I have ever met in my career, his humour was outstanding , he was a very gentle soul, I just found this notice as I was going to send him an email and give him my usual insult which he would reciprocate. Hans and family you have my condolences.*
