

Mr. Raymond Arthur Daniels

June 17, 2013

Ray Daniels (Retired TCDSB)

1947 – 2013

At home, June 17, 2013 after a brief illness. Loving soul mate and best buddy of Pat. Devoted proud father of Andrea. Loyal brother to Bill and Pat (Jim) Patterson. Son of the late Charles & Evelyn Daniels. Special computer advisor to sister-in-law Marlene Kennedy. Nephew of that special aunt Rosemary Holland and Alvin Daniels. Uncle to Jeff and Jennifer of Bobcaygeon.

Throughout his 29 year career Ray influenced many young people in the Gifted Education Programs, Computer Workshops and Library. He was a gifted educator and supportive mentor to many. He cherished and kept those welcome thank you notes from parents and students, along with every scrounged piece of computer equipment . There are many budding “Bill Gates” , Star reporters, and lawyers that were guided and encouraged by Mr. D. Sadly cremation has taken place and a memorial to be held later. In Ray’s memory and following his example do a good deed often. Gone far too soon, but his legacy lives on.
