“ I am so sorry to hear of Ray's passing. He will be dearly missed by his AGS Family. I worked with Ray for 30 years in the office and he was our "go to" guy - there was nothing he couldn't fix or do. I will miss his smiling face and his famous "Hi Sweetie"! A pleasure to have shared his friendship - my heart is full of wonderful memories. Sending hugs and prayers to Ray's family, he will be dearly missed. May you rest in peace Ray! ❤️

“ I worked with Ray for many years at AGS. He would always drop my office to say hello and chat about our families.. Ray always had a smile on his face no matter how his day was going - he loved to talk about his grandchildren. My condolences to the Pittman family he will definitely be missed by all.

“ This is too difficult to believe and so so unfair. You've been my strong, confident and loving brother IL for 41 years. I don't remember life without you and now we will be forced to face it without you, and my Walter of course. I miss you so much already... I already miss our nightly chats, I miss you calling me Patricia to get my attention and I will forever miss you affectionately calling me Sissy. My heart is broken. We are all so broken. I love you Gerald and will forever ❤️ XO Sissy

“ I have so many memories with Ray as a co-worker and friend. He was like a father figure to me and taught me so much. It truly was a pleasure working with him.

When I heard of his passing, it brought me to tears. My heart breaks.

Cathy and family, I am so sorry for your loss and I wish you comfort during this very difficult time.

May you rest in eternal peace dear friend.

“ So sorry to hear of Raymond’s passing! We were both just teenage lads on the west side of CornerBrook the last time I saw him likely in the late 70s early 80s but I do remember him as a friendly and easy going lad. I’m sure he will be sorely missed by all who knew him. So long my childhood chum..... rest in peace. Gerald (Jerry) Hynes

“ So many memories from home and T.O. but the one that stands out most is when him and I were coming back from the airport in the old muscle car he had and we came around the ramp to get on the highway and his door popped open and he nearly fell out, seatbelts weren't a thing back then, and I had to grab him before he hit the road, We actually had a good laugh over it
