

## Reginald Wayne Webb

May 16, 2025

It is with great sadness that the family of Reginald Wayne Webb announce his passing on May 16th, 2025, at the age of 84. Born in Toronto, ON to Donald Mae Kerr and Reginald James. Reg was the cherished and loving father of Katherine and Jennifer Webb, Natalie Wilde, Joel Webb and Lori-Ann Webb (predeceased 2013).

He was a hardworking man, self-sufficient by fifteen, and overcame many obstacles throughout his life. He had an exceptional understanding of the way the world worked, and liked giving advice to those around him (whether or not he was asked). Despite all the challenges he faced, in his personal and business life, he never lost his determination to keep going and to keep fighting. Even this last year, as his health began to decline, he put his efforts into managing it and fighting it as best he could.

Some of Reg's favourite activities over the years included flying airplanes, coaching neighbourhood hockey, and riding his Honda Goldwing motorcycle. He loved music and dancing, and enjoyed watching action movies, especially those with Clint Eastwood or Sylvester Stallone. He loved joking with friends and strangers, and was well-liked by all who met him. He was always the biggest supporter of his children, doing everything he could to help and guide them through life.

He will forever live on in the values and skills he taught his children, and in all the ways he helped those in life.

In accordance with Reg's wishes, there will be no formal service or memorial.

“ My deepest sympathy goes out to my nieces, Katherine and Jennifer. Also to Natalie, Joel and their families.  
Your dad was a very hard worker. Even when there was tough years, he never gave up.  
A couple of good memories I had was when Reg let me tag along with him and Nelly, my sister, on a trip to Florida. They took me to my 1st and only greyhound dog races. Another memory I have was how good of a dancer he was. He loved to Jive and other dances. Watching Reg and Nelly dance and seeing how much fun they were having is always with me .  
Thanks for being a great dad to my nieces.  
Rest in Peace Reg. You will be missed.  
Love Anita and Dan

“ I have far too many great memories of my father to share and can't pick just one. When I was a young boy my father was the greatest father a boy could ask for and was always there for us when we needed him. A tough but fair dad who worked tirelessly to provide for our family and gave what little extra time he had to coach hockey for many many years. He taught me to ride a motorcycle as a young boy and along with my sister's Lori and Natalie spent countless hours on our dirt bikes on the trails in Wasaga Beach where we camped and cottages. Motorcycles have become a life long passion for me because of the time we spent together riding. To quote Clint Eastwood in the Outlaw Josey Wales. " I rode with him. I got no complaints" Rest in Peace Dad. Love Joel
