“ *I have many memories of my cousin Reta, especially when I was a young girl. Our family would spend time in Musgrave town during the summer and we loved Aunt Jessie's cooking. Lots of fun and laughter*

“ Reta was a beautiful lady inside and out . I met her at AXA where we worked together in the file room until she pursued a job in the underwriting department and I moved on to the claims department . There was never a dull moment when Reta was in the room. She will be missed by those that knew and loved her.
Rest in Peace Reta

“ My best memory of Reta was trying to iron her curly hair straight for Friday night outings. We worked like dogs but to no avail. Had so many wonderful times with her. 💔

“ I have too many memories to mention just one. One that really sticks out though is her taking me for my first ever haircut as a little girl. We often laughed over the years about how my hair was down to my bum and she brought me home with it cut short in a mushroom type style lol that was the first and last haircut I trusted her taking me for 🙄
She was my only aunt on my mom's side and was dearly loved. Words cannot express how much she will be missed. I love you so much Aunt Reta!!
