

## Ricky Blencoe

November 8, 2022

It is with great Sadness and a very heavy heart that I have to announce the passing of my dear husband, best friend and soul mate.

Ricky Donald Blencoe passed peacefully on Nov.8 /2022 at the age of 72. Ricky was born on July 29,1950. Ricky's career as a TTC supervisor was beyond 3 decades long and he very much enjoyed his career service to Toronto.

Ricky and his wife MaryAnne Taylor-Blencoe moved to Pickering 7 years ago, where their wonderful house became their home. Ricky enjoyed the many hours spent in the gardens during the warmer months and when the weather turned colder, the beautiful fireplace kept him warm and smiling.

Ricky was an avid sports fan, cheering on the maple leafs, shouting out jeers as the Blue Jays played and watching his childhood baseball team, The Yankees.

Ricky is survived by his wife, MaryAnne Taylor-Blencoe, Stepson Charles Taylor and his wife Kyla, stepdaughter Jessica Taylor and stepson Matthew Taylor. Also his dear grandchildren Logan, Aidan, Chase and Emery. Also brother Jim & wife Madge Blencoe and his estranged Son Daniel Blencoe.

“ Just learned this evening of the passing of Rick, my cousin. Had some visits with Rick & his brother Jim when we were all very young. They were fun visits & I thought their mother, my Aunt Eve was a wonderful person. Fell out of touch so many years ago, but wish his family my sincere condolences 🙏

“ I was an operator at Birchmount when I first met Rick. He had the softest heart when it came to disciplining drivers almost like he hated doing it. Always had a smile on his face. Truly a wonderful man. Rest in peace my friend

“ I had the honour and pleasure to have known and work with Rick for 25 plus years, not to mention the numerous social gatherings over drinks along with many laughs. He had a wonderful sense of humour and always spoke his mind so we definitely had alot in common. His memory will live on in all of us who knew Rick and we are better people for knowing him.
