“ *Well Bob, it's been 55 years of a wonderful deep friendship. I was blessed to have you in my life and I cherish the deep bond we developed over those many years. You were more than my friend. You were family. I'll miss you so much
The first time we met was at Balmy Beach and we danced, and as they say "the rest was history" :) And now, every time I dance I'll think of you. And you'll still be dancing with me.*

I love you Bob. Always have - always will.
