“ I was on a local CPLC board with Bob. He was a real supporter of St. Lawrence, Corktown and 51 Division.

*I still share the stories Bob told me of his work on the Santa Claus Parade through the years. Sometimes in a poor imitation of his gravelly voice.*

*Especially important to me was the time he got us and other family members, a prime spot to view the parade and followed up with the offer in the years after.*

*We'll keep donating Christmas Gifts for the children of 51 Division every year in Bob's memory.*

“ So sorry for your loss. I was in a band that played in the PAL courtyard a few years ago. We sang a funny song called “Red Neck Mother” and dedicated it to Bob. He loved it so much he asked us to play it again at the end of our set!

*He was an original, and I like original people. RIP
