

## Mr. Robert (Bob) Allison Meston

December 3, 2016

MESTON, Robert (Bob) Mar.18, 1940 to December 3, 2016

Passed away peacefully Dec. 3

Lovingly remembered by his partner of 42 years Lillian LeBlanc and his step-children Larry (Cindy), Wayne, Cheryl (Peter), Mona (Gary) and Gail (Dave). Loved immensely by his 11 grandchildren and 5 great grandchildren. He was a big part of our family. Bob lived the kind of a life a decent man leads. He never hesitated to give a helping hand to our family members, friends, and even strangers who needed support. He leaves his brother Ralph as well. Bob was a proud member of IBEW Local 353. At Bob's request, there will be no service. Cremation has taken place.

“ If you were considered a friend by Robert you went on his "List". This meant you would receive unexpected calls from him advising you that he was on his way over to your house. The reason for his visits were to repair things in your house that he had determined needed fixing on previous visits. He would then arrive with tools and all necessary materials to make the repairs.  
If you were to say "Robert, you don't need to do that."  
He would respond with "Yes I do - it's on my list.

*Robert was a great guy and an even better friend. He will be missed.*
