“ What a truly kind, generous, fun and loving man. A great friend to my dad. So sudden. My heart aches to know he had to leave this world so early but I hope he is at peace knowing he will be remembered as such a wonderful person. My heart goes out to all his family and friends. 💕

Bob was truly a very generous person. I have only known Bob for 13 years but he did work with my father. Such a nice nice person. We were very shocked to hear about his passing. We didn't even know he was sick. This was such a shock to all of us here at work. I hope he finds peace and is enjoying everything he loves to do. Bob R.I.P. you will be missed.
