“ We are saddened and shocked to hear about Robert's passing. He was not only our mechanic and friend, but he was part of our family. Robert lived with us when we were kids growing up in Willowdale, and I have fond memories of him helping my parents, fixing our bikes and then our cars up until recent. When we had the restaurant, 'big brother' would always come by and check in. During Christmas, he was generous, always bringing gifts for the kids. During our Christmas morning coffee, he would always talk about his sister and brother in law in New Brunswick, and show us pictures of his niece and nephew and their growing families. Bobby, were going to miss you, may you rest in peace.

Thank you, Al, for adding this photo. Al, you were so very kind and thoughtful during Robert's final days. He was lucky to have such a good friend. Karen (Wellwood) Rucas.

“ *Although I didn't see Robert often, he often visited my parents when he came home to New Brunswick. He was a good listener and even helped me pick potatoes once when I was a teenager!*

“ *Robert Miller was a very kind and generous soul. I remember each Christmas when my children were young, in the 90s, when Robert would come by the house laden with gifts for everyone. He took his craft seriously and never let the family down whenever there was car trouble. He will be sorely missed.*
