“ I've been friends with Bob since high school. We always kept in touch over the years and I was wondering why I hadn't heard from him lately. He was a good friend and I'll miss him a lot. Steve Robinson

HI

“ My condolences to the Milner family. I hope that you all find peace in your grief that Robert left this world just the way he wanted. May God bring your family peace, may Robert rest in peace.

I miss you Milner, it's been a week and it still feels unreal. My foodie buddy, my advisor on all things, my genuine friend. I will treasure all the good times; the self deprecating humor, the wicked, dry sense of humor that only we understood. I will forever find ways to honor your memory Robert. Thank you for restoring my faith in humanity and showing me that there are good people in this world...not many, but there are some. Little man wrote about you in his school journal. I'm not sure if he fully understands death but he knows he will never see you again and that has been heavy on him. Rest easy my friend, I'll take care of Bobbie and spoil her as much as you did. I love you, I'll miss you forever. Till we meet again, rest easy my friend. -Hibaq

“ Robert was a gentle giant. He was the kindest , most humble person I have ever met. Rob was always positive and never let anything get him down. Even though he had his own battle that he was fighting he never let that bring down his spirit. He always had a kind and thoughtful word to say and the biggest smile. He always made our day whenever we were talking with him, especially when he laughed it was contagious. He most definitely will be greatly missed. But the memories will keep him alive in our minds. Our condolences to his entire family and friends. We are very lucky to have had Robert as a part of our lives albeit only for a few years. They were fantastic!
