

Robert William Nagle

March 14, 2019

February 4, 1938 - March 14, 2019

It is with great sadness to announce that Bob passed away at 81 years of age, surrounded by family and loved ones.

Loving partner of 30 years to Wendi Hanger. Beloved father to Jennifer Nagle (Peter Boffo) and David Webb (Karen Webb) and step-father to Jennifer Sullivan (Paul Sullivan) and Philip Hanger (Rabiab Hanger). Cherished grandfather, "Pops", to Olivia and Liam Boffo and step-grandfather to Jason, Sam and Owen Sullivan and Tyler and Thomas Hanger. He will also be dearly missed by his cousins and many close friends.

Bob grew up on a farm outside of Hamilton as the only child of Robert and Olive Nagle. He was adventurous and always trying new things - including building race cars and a track for his teenage friends. He graduated from McMaster University and, perpetually young at heart, was a favourite amongst his science and geography high school students. A pioneer in the environmental movement, he initiated new curriculum and created the first school tree planting "green gang." He had a passion for fitness, participating in countless triathalons and running events. He qualified and ran his final of several Boston marathons at the age of 69.

Bob's zest for life was infectious and he travelled the world. He particularly loved the ocean, reflected by numerous scuba diving and sailing expeditions. Always the life of a party, Bob had a knack to engage anyone in conversation on any topic (usually over a glass of red wine). Bob will forever be known for his curiosity, sense of humour, free-spirit and kind heart.

A Celebration of Life to follow. In lieu of flowers, Bob would prefer being remembered by planting a tree to celebrate the earth and new life.

“ Jenny, Wendy and family... Our condolences to you all, I am so very sorry for your loss. Sad news to hear from the George Vanier SS Geography Crew. So many years with so many special memories of Bob, George, Barry and my Dad. I'm sure we could talk for hours about it. You know that the 2 of them are reuniting and I'm sure playing a joke on someone. Our love to you all xoxo

“ Bob was one of a kind. An excellent teacher and my colleague for many years. I worked with Bob as his assistant head of department at GVSS. Bob was a true leader at the school and a devoted environmentalist. I learned much from his tutelage. I will never forget his support and friendship.

“ Bob was one of the best. It was a privilege to meet him through the
Longboat Roadrunners. He was always fun to be around. I learned
a lot from him about running and life in general as we tramped
around the island together measuring and setting up the Toronto
island Run. He will be missed.
