“ Dear Family of Robert Neilson, It is with heartfelt sadness I want to express my condolences to each of you. Although I have not met his children I have through my friendship with Sue Nielson, come to know a bit about each of you. I know the heartache of losing a parent, we are never ready for that no matter the circumstances. As time passes and the deep loss eases may each of you recollect the good memories in tribute to your DAD, as they will stay with you for life and be shared with those you love. Sincerely, Marlene & Al Brinklow
