“ As a young tradesmen fresh out of school in the Canadian Forces, I met Bob at one of my first assignments. We shared a lot of laughs together. It was truly an honour and a privilege to serve with him. I know Bob loved his motorcycle so I thought this was fitting..

May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand. God speed my friend.

“ Over the years, I served with Rob on several stations and, of course, a couple of tours in Alert. I remember him as a quiet, very dependable tradesman who was well liked by all who served with him. My deepest condolences to the family in this most difficult of times.
