

Mr. Roderick Alfred Thompson

January 28, 2018

Thompson, Roderick (Rod or Roddy to those who loved him.) Passed away peacefully surrounded by loved ones on January 28th, 2018 at Oshawa Lakeridge Hospital, Oshawa.

Rod fought a tough and courageous battle for many years, the last few months being the hardest for him. He loved his family with the heart and strength of a lion. Everyone that met Rod loved him; he was the most kind and generous person. He had a contagious laugh, and he loved to play jokes on people. Rod was a colourful character, and for those who crossed his path in life, he is a man who is hard to forget.

He was tired at the end; we told him that he needed to rest, and that his family would be just fine, because of him. He was and always will be a source of love and strength to us.

He will be sadly missed by his loving wife Susan, his son Christian, step-son Thomas, daughter'n'law Cindy, his sons Noah and Adam, his brothers and their partners, his sister, all his nephews, nieces, his sister'n'law Jane and her husband, his new extended family, all his past family who were still a big part of his life, and all his many friends over the years.

We are holding a celebration of life, something Rod would love. Family and friends are invited to share memories, laugh, cry and tell him how much he was loved and how much he will be missed by many.

“ Rod was a force to be reckoned with, many fond memories vacationing at Buckhorn Lake with our families, he would sneak forbidden cream donuts for himself and me which we would scroff down in hiding, never a dull moment in Rod's company. His strength and determination was unwavering, going to miss him, will never forget his laugh.

“ *I will never forget the time when we first came to Canada my daughter Sydney was only 4 years old at the time and she was very sick. My uncle Roddy showed up to our apartment door with Santa Claus. My daughter Sydney was in such shock and awe that Santa Claus was at her house. It literally was one of the best days of her life. I love you Uncle Roddy please now take care of Sydney in the heavens. You both are the strongest people that I have ever known. Rod will be greatly missed...*
