

Rodney Lionel Batten

June 11, 2018

After many long hard struggles Rodney Lionel Batten almost 58 years old, passed away at the Lakeridge Hospital in Oshawa Ont. Both parents Benjamin and Lillian Batten and older brother Darrell and Sister Holly had gone to pave a way for him. He is survived by oldest brother Gerry (wife Edith), Sister Deborah (nee Boulger), younger brothers Kevin (wife Kelly) and youngest brother Trevor and lastly his Many nieces and nephews . While physical illness such as ALL (Leukaemia) was what finally took him from us, Mental Health complications made Rodney's life so very lonely, empty and without much to celebrate. May he finally Rest In Peace. . We wish to thank all the compassionate and caring individuals who helped make his final days bearable. For further information contact Deborah Boulger.
