“ I've known Roger and Kevin since I moved to Canada and they welcomed me warmly. He was such a caring and humorous person even when he wasn't in the best health condition. I was looking forward to getting together with him this autumn. I am still deeply shocked I won't be able to have a chat and laugh with Roger...

“ Roger had a spirit that was bigger than any room he entered. I will miss our spirited debates, the wisdom of his perspective, and his poignant observations, all delivered with wit and humour. I am so happy to have known him and proud to have been his friend.
