Ron Rowley 1946 -2022

November 14, 2022

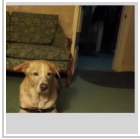

Beloved and loving partner of Debra Coburn. Predeceased by father Charles, mother Sylvia and brother Rod. Survived by sister in law Ann Rowley. Fondly remembered by the Hannivan family, both born and honorary. Also by many friends, particularly those in the Junction. When Ron was asked how he was, his standard answer was "I've had better Mondays ", regardless of the day of the week. That was certainly the worst Monday of my life. Ron has been cremated, and hopefully a Celebration of his life will take place in the new year. Save a spot for me Grumpy . Love always, Granny
