“ To the Foley family,
I was saddened to read of the passing of Ron (as I knew him). I have very fond memories of happy times when we attended Carleton University together more than 50 years ago. Ron was intelligent, witty, generous and fun-loving, and loved to share good times with his family and friends. It was a pleasure getting to know your family through Ron as well. Although we had lost touch long ago, I have often thought of him over the years and hoped he was happy and enjoying life. Please accept my deepest condolences. May your memories bring you comfort at this sad time.

“ My deepest condolences to all - Elaine, Kevin, Noreen, Butch, Paul and Marion on the loss of your brother. I remember a couple of years with “the Foley’s at SS#7 but mostly I remember winter play dates with a couple of toboggans that we all shared - piling on as many kids as possible and occasionally making it to the bottom. Thinking of “the Foleys” will always make my heart happy.
