“ *Ronnie never failed to make me smile throughout this Pandemic. During our outbreak situation here at Cheltenham back in January, It was an incredibly hard situation to deal with because of how much I feared for the Residents and myself. Ronnie's bright smile and personality always made me forget about the fear and gave me a reason to keep pushing day in and day out in order to safeguard the staff and Residents at Cheltenham. He never failed to make us laugh and smile during the hard days and for those memories I am truly thankful for. We love you and miss you Ronnie <3*
