

Ronald William Innes

January 9, 2020

It is with great sadness that the family of Ronald William Innes announces his sudden passing on Thursday, January 9th, at 76 years of age. Ron was son to the late Hugh and Theresa Innes. Ron will be remembered by his brother Norm, his nephew and nieces Ken (Melissa), Kristine (Mike) and Kim (Ed).

Ron spent many years working for Castrol Canada. And when he wasn't at work, Ron was an avid sports fan, especially the Blue Jays. He loved telling stories about the 1992 World Series game he attended! Seeing sporting events live, such as the Blue Jays and Maple Leafs, was one of his favourite pastimes and he even attended a few last year. He also spent a good portion of his life involved in amateur hockey, he supported women's hockey with a role in the CWHL.

Ron pursued many passions throughout his life. He loved going to concerts, even at 74 years of age when Neil Diamond came to town. He just couldn't miss it! Ron also had a love for fast cars! He made many trips to Daytona to watch the stock car races live and in person. He even travelled most of Hawaii visiting five of the islands!

A private gathering will be held by his family. Those wishing to honour Ron's memory can consider making a memorial donation in memory of Ron to the Heart and Stroke foundation.
