“ *Dear Lynda and Family:*

We were very sorry to hear of Ron's passing. I share many happy memories of growing up together, he was like an elder brother. When I think of Ron, I remember the laughter, family gatherings, and the memory of special times that bring smiles and joy. He was a great guy, always kind and welcoming. We have truly lost a great fellow.

Sincerely

Cousin Paul and Judy Rose and family

“ *We were very sorry to hear of Ron's passing. We were colleagues at Air Canada and whenever we would see Ron's name on a crew list, we knew we would have a good day. So witty and joyful to fly with. Taken too early. Our sympathies to all Ron's family and friends.*
