“ I know Ron used to love my cookies and desserts, especially rice pudding. I'm sure he was my best "customer."It was an honour to make it for Ron to enjoy when he had already lost so many other of the joys of life we all take for granted.
Rest well, Ron. You're with God now!

“ I knew Ron as a good-natured, friendly fellow who I often shared a joke or funny story with. We talked often about the woes of the Maple Leafs and the excitement of the Blue Jays.I am deeply saddened to hear of Ron's passing. My name is Larry and I was one of the Durham Transit Operators who for years transported Ron to and from his dialysis sessions at Oshawa General. May he rest in peace.

“ Susan, I am so sorry for your loss. When I think about Ronnie and his siblings, I remember how all of your weddings were my chances to get "all dressed up" and do a road trip as a child. Definitely fun times! You and your entire family are in our thoughts and we send you love from Arizona.
