“ You where a wonderful man and will always be cherished in my heart. I will always cherish watching you dance to “ born to be alive “ at the New Year’s party’s and tearing up the dance floor. You always made me laugh and never forgot my birthday which always made me feel special and loved. You lit up every room you walked in and I will love you forever. We all walk through this life wanting to make a difference , and you really did. Rest in peace ❤️❤️
