“ Mom, It leaves me sad to say Goodbye, but I do believe you were ready to join Dad and that makes me happy cause I know you missed him all these years. We all wanted that for you. Love to you and Dad from me, Jerry, Shane & Marivic along with their beautiful children, your great grandkids Kayden, Aaron & Jake.

“ Mom, you are missed, but I have a lifetime of memories to hold me. Memories of you and Dad and the love of family. Your love for Dad never diminished. It was always heartwarming to watch you pick up his picture, give him a kiss and say "I love you Teddy"

“ Over fifty years ago you freely allowed me to take the hand of your oldest daughter in marriage. We were all very young then and we all hoped for great things for the future.

Thanks to Betty, my wife Sharon has many traits given to her by her Mom. Spirit, compassion, patience, intelligence and many other traits that would help us all through life, especially her love for her children.

*Thanks to Betty we used them all and more. For that I will be eternally thankful to you Betty....God Speed, and God Bless,
Your loving son in law. Thomas*

“ When the sun warms my face in the spring I will think of you! When the rainbows fill the sky I will remember you. In all the days and in all the seasons I will find a piece of you. May you forever rest peacefully with Grandpa.

“ It is strange how for 67 years you only know a person by the name of anything but Elizabeth, Betty or mom and then that person ends up in the hospital. One day when you go to visit in the hospital and you ask what room Betty Gray is insome person who doesn't know either one of us says we don't have anyone with that name here. If I wasn't a persistent person I might have walked away never to return. I did find mom and I returned again.

“ *Mom you will be sadly missed, you made the best spaghetti, even better than mine. Remember the face s rubs you used to give dad, which was a funny thing between you and dad.*
